BOATING & FISHING RULES AND REGULATIONS

Boating is permitted on both lakes, weather permitting, except in designated swimming areas. In addition to general safety rules, the following specific rules apply:

1. All boats used on RLPOA lakes must be registered at the office, regardless of state registration requirements. RLPOA boat registration includes a one-time fee of \$25.00 for an RLPOA plate, and a \$10.00 yearly fee for a sticker (only required if the boat is stored at the lake or pond). Replacement plates are available for \$10.00, provided the original plate is returned to the office.
2. Boats longer than 16 feet are not permitted on the lakes.
3. Motorboats are prohibited, except for those using electric trolling motors.
4. All Commonwealth of PA boating laws apply, including the registration of any boat with a motor (including electric motors).
5. The RLPOA plate number must be prominently displayed on all boats.
6. Boats must be stored, docked, and launched only in designated areas.
7. A life preserver must be provided for each occupant of a boat by the property owner.
8. Members and registered guests must possess a valid PA Fishing License (not required for individuals under 16).
9. Guests may fish on RLPOA property only when accompanied by a member.
